Resolved: Minutes of the Annual Council Meeting held on 16 May 2024 to be amended to show Cllr H Tune was in attendance, were agreed to be an accurate record and signed by the Chairman.

4. Public Participation – no members of the public in attendance.

Member of the Public discussed the Planning Application for 5 Gleadhill House Gardens for the change of use of the dwelling to a live/work unit. Cllr Duckworth raised concerns for residents, parking issues and referred to a letter submitted to the Planning Department at CBC (copies provided for Councillors). The matter was discussed and Cllr Riggott advised that the decision will be made by the Planning Department at CBC and not EPC

5. Statutory Business

Planning – Consider planning report from Lead Member for Planning, approve and ratify responses made between meetings or to meet deadlines.

24/00422 – The off-street parking provided for the dwelling house (4 spaces and garage spaces if they are used for car parking) is adequate for residential use. If the garage is used for commercial use there will be a minimum of 2 car parking spaces dedicated to commercial use. It is likely that the car parking space will be reduced in the garage because of necessary building work to allow for access to the workspace. Letter to CBC required. NOTE – Item to be placed on the next Agenda to discuss standard letters re guidance for future planning applications relating to parking.

24/00387 – Insufficient detail provided re the extension and parking spaces. Detailed plans should be provided to allow EPC to make comment. Cllr Riggott requested a letter to CBC regarding applications that do not provide enough information.

24/00345 – No specific off-street parking policy in Chorley for class C4 use, however C3 requires 3 spaces for 4 bedrooms. Cllr Riggott stated that we need a copy of the CBC HMO Policy to clarify the parking issues.

24/00319 – There are No Observations on the planning application however there may be some changes to satisfy other legislation, EPC will comment at that stage.

Cllr Thornhill stated EPC should object on the grounds of inappropriate development on Green Belt land. He has drafted a response which will be forwarded to the Clerk. All Councillors voted in favour.

24/00457 – No Observations

24/00434 – No Observations

24/00439 and 481 – Amended plans for house types and landscaping No Observations

24/00430 – The number of bedrooms has increased to 6. Concerns raised regarding additional off-street parking and surface water drainage. Letters to CBC to establish if the water tank on site can cope with the additional surface water and to enquire re additional off-street parking.

24/00446 – Standard clause A1

Resolved: Members agreed with the responses and required actions detailed above. Chairman requested Minutes show that Cllr B Duckworth has a vested interest in 24/00422.

Cllr Peers reported that the wildflowers have not been planted on Runshaw Lane by CBC, can they be contacted to enquire if planting is to be carried out as the area is now full of weeds.

Cllr Tune enquired if EPC are still presenting the Euxton Star Award, if so can it be mentioned in the next newsletter to remind residents to nominate and vote.
